# CHC BOOT CAMP: Medicare Preventive Services

PRESENTER: REBEKAH WALLACE PARDECK, CMPE, CPC®, CPCO™

## TRAINING DESCRIPTION

Medicare covers many preventive services to keep your patients healthy. These services include exams, vaccines, lab tests, and various screenings. Your ability to provide these services is dependent on understanding requirements related to patient eligibility, service components, frequency limitations, and code application. Join us for this helpful training as we provide insights to help you align various Medicare preventive services with Federally Qualified Health Center (FQHC) billing requirements, guidance, and considerations.
